

LINEAR SUSPENSION

Biza Linear Suspension LED T20

DESCRIPTION

The Biza suspension piece by Tech Lighting converges bold geometric angles into a seemingly complex yet simply beautiful piece. The bottom diffuser is composed of clear injection molded plastic inserts which add remarkable depth and illusion when viewed from below. Additional molded plastic inserts in either silver or black sit atop the fixture reinforcing its thoughtful shape. Horizontal and vertical lines intersect throughout the piece adding additional visual interest. Scaling at 46.3" in length the Biza is ideal for dining room lighting, foyer lighting and home office lighting. Your choice of fully dimmable energy efficient integrated LED lamping ships with the Biza saving you both time and money. The bottom diffuser is composed of clear injection molded plastic inserts which add remarkable depth and illusion when viewed from below. Additional molded plastic inserts in either silver or black sit atop the fixture reinforcing its thoughtful shape. Horizontal and vertical lines intersect throughout adding additional visual interest. Direct version includes 45 watts of LED strips (2400 lumens, 3000K). Dimmable with low-voltage electronic dimmer. Direct/Indirect version includes 50 watts of LED strips (25 watts, 1750 net lumens of downlight and 25 watts, 1750 net lumens of uplight). Ships with 21 feet of field-cutable cord and twelve feet of aircraft cable.
