

DISPLAY & EXHIBIT

DJ-Telescope T20

DESCRIPTION

The DJ-Telescope display head by Tech Lighting combines minimal design style with high-functionality. This simple display head puts light where you need it the most with its 9° to 25° pivoting head. The DJ-Telescope head is available in a sleek Chrome finish combines flawlessly with a myriad of complementary accessories also available by Tech Lighting. This low-voltage display head is ideal for commercial and residential lighting applications such as libraries, galleries and hallways. The DJ-Telescope accommodates a fully dimmable MR16 lamp (sold separately). For a list of compatible dimmers please refer to dimming chart for more information. Pivots at head to direct beam 12 volt, MR16 lamp of up to 75 watts (not included). Chrome finish. See accessory for maximum wattage usage.

INSTALLATION

Install a DisplayJack canopy or connector ports (sold separately) and push the DJ-Telescope's arms into the canopy or ports. After the show, pull out DJ-Telescope. The canopy or ports stay in place for next time with no need for an electrician.

ACCESSORIES & OPTICAL CONTROLS

Backlight Shield, Barndoors, Cone Glass Shield, Lil Wok Shade, Round Glass Shield, Snap Louver Lens Holder
