Eros Low-Voltage Pendant 120 120

DESCRIPTION

The Eros pendant by Tech Lighting boasts a precision die cast aluminum body, the precision and detail serve a duel role as a geometrically striking design that details the heat sink. The black hardware finish gives the Eros a strikingly modern appearance allowing it to blend subtly with other elemental design components. An optical grade pressed glass lens effectively distributes light output for excellent task lighting while eliminating horizontal glare. Customize the Eros by selecting two energy efficient LED lamping options, all LED lamps are fully dimmable to create the desired ambiance. The Eros is compatible with Tech Lightingâ€™s Monorail system for incredible installation flexibility. Includes 10 watt, 210 delivered lumen, 3000K LED module. Fixture provided with six feet of field-cuttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer).

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
