LOW-VOLTAGE PENDANTS

Kiev Pendant LED S☀RAA T20

DESCRIPTION

The Kiev Pendant light by Tech Lighting is the perfect blend between antique and modern design featuring an ornate fount and simple tapered fabric shade with rolled edges. Further accentuating the modern lines and curves of this pendant are five on-trend color options and four sleek finish options. With its eye alluring form and modest scale the Kiev Pendant is ideal for spaces such as bedrooms, bathrooms and home offices. An energy efficient integrated LED lamp means that you'll be able to enjoy this fixture for time to come, a list of compatible dimmers is available for reference, please see the Tech Lighting dimming chart for more information. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K, replaceable SORAA® LED module and six feet of field-cuttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Works with SORAA.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
