

Mara Chandelier LED T20

DESCRIPTION

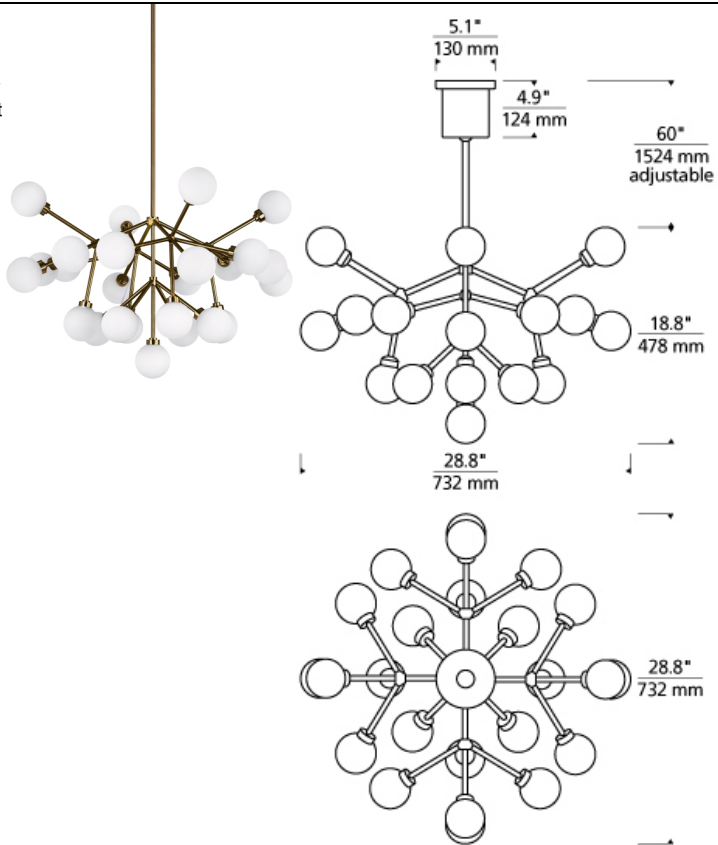

The Mara LED chandelier from Tech Lighting is a wholly modern interpretation of classic multi-arm chandelier, but rarely does a fixture provide such dramatic impact. Whether you select the warm aged brass finish or the sleek satin nickel finish, each chandelier features twenty five individual frosted glass globes which smoothly diffuse the LED light sources for an unmistakably high-end look. With its medium scale and plentiful, fully dimmable LED light output, the Mara chandelier is an incredible choice for making an impactful statement as dining room lighting, kitchen island lighting, living room lighting or foyer lighting. If you have something larger in mind, be sure to check out the Mara Grande chandelier also available from Tech Lighting. Includes (25) 2.6 watt, 67 delivered lumen (1675 total delivered lumens), 2700K LED modules. Fixture provided with 36 inches of variable rigid stems (includes (1) 12 inch & two 24 inch) in coordinating finish. Dimmable with low-voltage electronic dimmer. Can be installed on a sloped ceiling up to 45°.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

WEIGHT

12-12lb / 5.44-5.44kg ±
