

LOW - VOLTAGE PENDANTS

Masque Pendant LED T20

DESCRIPTION

Contemporary style and modern sophistication meet beautifully in the Masque pendant by Tech Lighting. This mid-century style modern pendant has been meticulously hand-painted at the crown adding a unique polished element to the hand-blown shade. Inside a gently curved diffuser evenly distributes the output of the LED light source. Three modern colors, three hardware finish and multiple LED options allow for specific customization. Scaling at 8" long and 6" in diameter the Masque pendant makes a modest yet sophisticated statement in dining room applications, over kitchen islands as task lighting and countless commercial applications. Includes 4.5 watt, 280 net lumen, 3000K replaceable LED module with diffuser. Ships with six feet of field-cuttable suspension cable. Dimmable with low-voltage electronic dimmer (based on transformer).

smoke/black

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
