

BATH COLLECTION

Metro Long Bath LED T20

DESCRIPTION

The Metro Long bath bar light by Tech Lighting is sophisticated and modern in design due to its multi-layer White or White acrylic shade and rectilinear shape. The Metro Long is available in two on-trend hardware finishes, Chrome and Satin Nickel. The Metro bath bar can be mounted horizontally above a mirror or mounted vertically flanking a mirror as a wall sconce light. Two length options allow this bath light to be adapted to powder room lighting as well as master bathroom lighting. Both size fixtures are fully dimmable with your choice of integrated LED lamping to create the desired ambiance in your special space. Includes 49 watt, 2008 delivered lumen, 2700K or 3000K LED module. Dimmable with low-voltage electronic or triac dimmer. Mounts vertically or horizontally.

acrylic lens

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box. May be mounted horizontally or vertically. For wall mount use only.
