

Mini Isla Pendant T20

DESCRIPTION

The Mini-Isla Pendant from Tech Lighting features a perfectly irregular organic hand blown round-shaped glass. Skilled artisans work to perfect the seeded technique that leaves hundreds of bubbles suspended within the glass. Adding a touch of charm and warmth to this contemporary glass pendant is the visible incandescent lamping. The Mini-Isla Pendant is available in five contemporary colors, each color further enhancing the unique features most noted to the Isla pendant. Scaling at 7.2" in length and 6.1" in width the Mini-Isla Pendant is modestly sized making it ideal for home bedroom lighting, closet lighting and kitchen island task lighting. Also available in the Isla collection is the complementary Isla Pendant, simply search for Mini-Isla to find its closest relatives. Available lamping options include energy efficient LED and no-lamp. All lamping options, with the exception of no-lamp, are fully-dimmable to create the desired ambiance in your special space. Includes (1) 35 watt low-voltage GY6.35 base frosted Xenon bi-pin lamp and 6' of field-cuttable suspension cable. For use with 24 volt transformer, add suffix -24 to item number.
