The Mode Dual outdoor LED flood/accent light features a minimalist tubular profile with two powerful light sources, both with 185° tilt adjustment and 359° rotation for maximum aiming flexibility. Mode Dual allows accent and way-finding options in a stake- or bolt-mounted path fixture, ideal for illuminating monument signs or landscape features.

**Mode features**
- 185° tilt adjustment and 359° rotation for wide aiming flexibility
- Lockable
- Angle markers for consistent and precise aiming
- IP65 rated with marine-grade powder coat finishes
- Multiple stem lengths
