## Projekt Pendant LED T20

### DESCRIPTION

The Projekt Pendant light by Tech Lighting is features an unexpectedly pleasant sculptural form. This ornate design has been transformed into a very modern take on the traditional finial. The Projekt is available in two modern colors Clear and Smoke, each finish further enhances the traditional beauty of this unique fixture. Scaling at 12.8" in height and 4.1" in diameter the Projekt Pendant is ideal for kitchen island task lighting, dining room lighting and home office lighting. An energy efficient integrated LED lamp means that you'll be able to enjoy this fixture for time to come, a list of compatible dimmers is available for reference, please see the Tech Lighting dimming chart for more information. The LED light source shines brightly on the decorative finial perched inside the metal and glass exterior. The finish on the outer metal frame contrasts nicely making the polished finial inside the true focal point of the design. Includes 10 watt, 300 delivered lumen replaceable LED module and six feet of field-cutable suspension cable.

### INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
