

LOW - VOLTAGE HEADS

Rae Head LED T20

DESCRIPTION

More than just a head, this unique fixture integrates the uncompromising light quality of our Unilume LED Micro Channel (which utilizes remote phosphor LED technology) with the versatility of MonoRail. Available in two length options (consult factory for custom lengths). Each head pivots 180° and can be mounted up or down for easy control of light making it ideal for direct and indirect general illumination, wall wash and display applications. When used in conjunction with other low-voltage heads and pendants, the Rae offers incredible flexibility to layer light throughout a space. 8 watts/ft, 570 net lumens/ft.

WEIGHT

0.38lb / 0.17kg ±

rae head
