

Refuge Square Outdoor/Wall

DESCRIPTION

The Refuge Square LED outdoor light from Tech Lighting exudes clean contemporary styling while projecting a warm, multidimensional glow indoors or out. The smart combination of a semi-enclosed, one-piece square metal shade and a complementary elongated rectangular molded glass diffuser create an alluring visual effect sure to add a highly functional decorative element to your exterior façade that is equally beautiful. Two size options allow this outdoor light to be adapted to a variety of outdoor lighting applications such as front door lighting, entry lighting and garage lighting and each are fully dimmable for creating the desired ambiance indoors or out. Includes 10 or 18 watt, 610 or 1098 delivered lumens, 2700K LED module. Mounts up only. ADA compliant. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
