

LINEAR SUSPENSION

Revel Linear Suspension LED FL T20

DESCRIPTION

The Revel linear suspension fixture by Tech Lighting captures light in motion. The sleek metal surface is laser-cut with horizontal slots which allow light to shine through the inner white diffuser. Optional wood end caps complement the design with a touch of warmth in an unexpected way. A bottom glass diffuser provides a glare free wash of light onto surfaces below. Scaling at 50.5" long the Revel is ideal for dining room lighting, foyer lighting and family room lighting. Also included in the Revel family are three other complementary fixtures, Revel linear wall, Revel wall and Revel pendant, simply search Revel linear suspension to find its closest relatives. Your choice of fully dimmable LED lamping ships with the Revel suspension saving you both time and money. Includes 40 watt, 80 CRI 3000K LED. Has a maximum drop length of 8 feet. Ships with extra center power feed canopy and side post for applications with a centered junction box. Dimmable with electronic low voltage & LED compatible dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT
