

Siber Mirror

LED FL ADA T20

DESCRIPTION

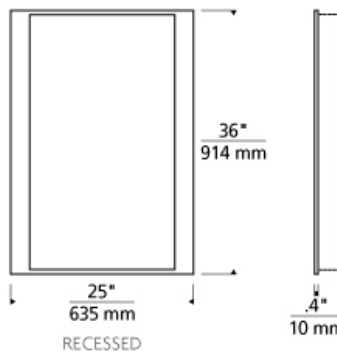

The Siber Mirror light by Tech Lighting captures light in the midst of reflection. This rectangular mirror is surrounded by a cove of diffused white light that beautifully provides shadow-free task and ambient light. The Siber Mirror is available in two distinct styles, recessed and surface, both styles come in your choice of Chrome and Satin Nickel finish. The Siber Mirror ships with your choice of efficient halogen, fluorescent or LED lamping both options are fully dimmable to create the desired ambiance in your unique space. The Siber scales at 36" in length and 25" in width making it ideal for bathroom lighting and vanity lighting. Halogen includes eight 120 volt, 40 watt G9 base halogen lamps; compact fluorescent includes two 39 watt T5 high output linear fluorescent lamps and electronic ballast. LED version includes eight 5 watt, 400 lumen, 3000K LED. Recessed version requires modifications to existing wall construction. ADA compliant.

INSTALLATION

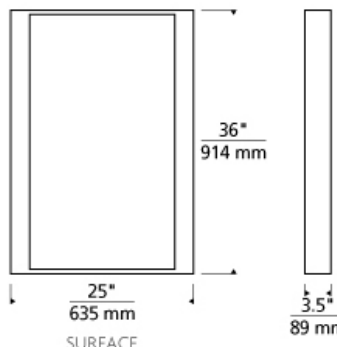

Recessed version requires modifications to existing wall construction. For wall mount use only, may be mounted vertically only.
