

Tambura Ceiling LED T20

DESCRIPTION

The Tambura ceiling light by Tech Lighting is modern yet timeless with its open-ended, drum-shaped frosted glass shade. This elegant shade is suspended from an unadorned die-cast canopy populated with a powerful array of integrated LEDs. This simply elegant ceiling mount scales at 5.8" in height and 5.5" in width making it ideal for hallway lighting, bedroom lighting and foyer lighting. The Tambura is available in three on-trend finishes Aged Brass, Chrome and Satin Nickel, each finish further enhances the sheer elegance of this flush mount fixture. The Tambura ships with energy efficient integrated LED lamping, all lamping options are fully dimmable to create the desired ambiance in your any space. Includes 12 watt, 472 delivered lumens, 3000K LED module. Dimmable with low-voltage electronic or triac dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
