

FLUSH & SEMI-FLUSH MOUNT

TL 360 Ceiling

FL ADA T20

DESCRIPTION

Modern meets practical in the 360 flush mount ceiling fixture by Tech Lighting. What makes the 360 unique is its plated base and the perfectly circular crisp White glass diffuser. Light is pleasantly dispersed in a 360-degree direction making this flush mount ideal for general illumination in places such as family rooms, basements and hallways. The 360 ceiling fixture is available in Antique Bronze and Satin Nickel and comes in two distinct sizes, small and large. Available lamping options include incandescent and compact fluorescent, both lamping options are fully dimmable to create the desired ambiance. For a list of compatible dimmers please refer to dimming chart for more information. May be mounted on the ceiling or wall. Available in two lamp configurations; incandescent and fluorescent. Large incandescent includes two 120 volt, 40 watt G9 base halogen lamps; large fluorescent includes two 13 watt 2GX7 base twin tube lamps and electronic ballast; small incandescent includes one 120 volt, 40 watt G9 base halogen lamp. Incandescent version dimmable with a standard incandescent dimmer. Suitable for wet locations. ADA compliant.

frost
