

LOW - VOLTAGE PENDANTS

Torpedo Pendant T20

DESCRIPTION

Highly customizable in nature the Torpedo pendant light by Tech Lighting will seamlessly integrate into any space due to the wide range of display heads and two on-trend finish options. Display heads range from metal to glass each adding its own unique ecstatic flare. Each display head is fully dimmable to create the desired ambiance in your unique space. Accessory required; sold separately. Low-voltage, MR16 of up to 50 watts (not included). Includes six feet of field-cuttable suspension cable. See accessory for maximum wattage lamp usage.

INSTALLATION

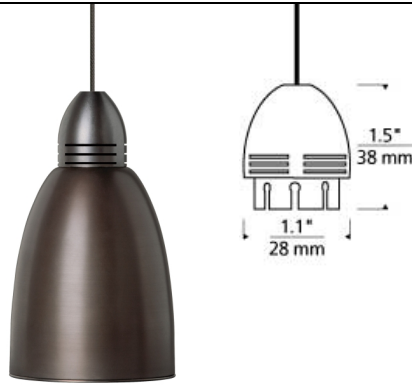

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
