Trace Suspension 23in Diameter LED T20

DESCRIPTION

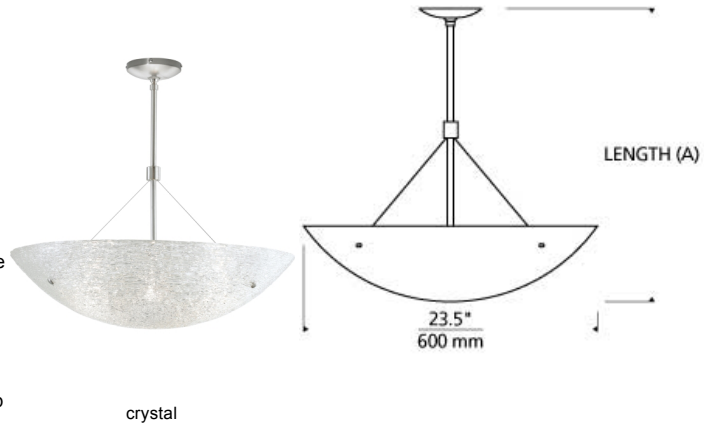

Modern in design and simple in style the Trace chandelier by Tech Lighting features streams of Italian piped glass that have been formed into a bowl shape. To further accentuate the graceful glass formation are two metal details that add a touch of character and charm. This elegant chandelier is available in two distinct sizes, small and large, making it ideal for dining room lighting, bedroom lighting and bathroom lighting. Available lamping options include a fully-dimmable energy efficient LED or no-lamp, leaving you the option to light this fixture with your preferred lamping. No matter the application the Trace chandelier will add a pop of modern elegance and sophistication to your special space. Rated for (4) 60 watt max, E26 medium base lamps (Lamp Not Included). LED includes (4) 120 volt 9.5 watt, 1800 delivered lumens, 2700K, medium base LED A19 lamps. Dimmable with LED compatible or triac dimmer. Integrated ball joint accommodates sloped ceilings up to 45°.
