

# Viaggio Linear Suspension LED T20

## DESCRIPTION

The Viaggio Linear Suspension by Tech Lighting features an artistic cluster of glass orbs for a sense of celestial travel within a room. Your choice of two gorgeous finish options include a sleek black body contrasted against solid Brass arms with white glass globes or polished nickel arms with mirrored smoke glass globes, either option will create a comfortable glare-free wash of illumination onto surfaces below. The Viaggio Linear is ideal for dining room lighting, living room lighting and commercial lighting applications. The Viaggio can carry into other areas of your space as this collection is available as a chandelier, flush mount and wall sconce. Available lamping options include fully-dimmable energy efficient LEDs or no-lamp, leaving you the option to light the Viaggio with your preferred lamping. Available with or without lamp.
