NEWS RELEASE

TECH LIGHTING HIRES NEW EASTERN REGION SALES MANAGER

Skokie, Ill, April 13, 2016—Tech Lighting, a global leader in sophisticated, contemporary design combined with the latest advancements in lighting technology, has hired Pablo Bonnin as its new Eastern Region Sales Manager.

“Pablo brings a combination of architectural, construction and lighting sales experience to Tech Lighting, which will greatly help our customers choose the right lighting solutions for their projects,” said Steve Hurley, Vice President of Sales for Tech Lighting and LBL Lighting, to whom Pablo Bonnin will report.

Pablo Bonnin’s territory encompasses part of the North American East coast region including Quebec, Newfoundland, Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, Virginia and West Virginia.

Prior to joining Tech Lighting, Pablo Bonnin was a specification sales representative with Lutron Electronics focused on the architectural community in New York City. Before that, he worked as a project engineer with Bulley & Andrews in Chicago.

Pablo holds a bachelor’s degree in Architecture from Miami University and an MBA and master’s degree in Architecture from the University of Illinois at Urbana-Champaign. Pablo Bonnin lives in New York City with his wife Stephanie.

About Tech Lighting

Known for its sophisticated, modern designs combined with the latest advancements in lighting technology and expert craftsmanship, Tech Lighting offers a wide variety of product categories such as specification-grade downlights, low-voltage and line-voltage heads and pendants, wall sconces, ceiling fixtures, flush mounts, suspension pieces, bath bars, and LED undercabinet, display and cove lighting. Tech Lighting has been a premier choice of architects, specifiers, lighting designers, interior designers and homeowners since 1988. Tech Lighting’s products can be found in lighting retailers and through sales representatives across North America.
