

The Ebb Wall Sconce light by Tech Lighting features a clean and asymmetric design making it highly versatile in many spaces. Sophisticated in design and highly functional as it delivers an immense amount of light output with its neatly hidden lamp providing bidirectional light distribution. The Ebb Wall Sconce is available in four modern finish options. All LED lamping options are fully dimmable with a low voltage electronic dimmer. May be mounted vertically or horizontally.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
